Narrative :

On 10/21/2022, Daniel Diggins came to the MCSO to file a report involving someone having illegitimately completed a public records exemption request, and getting it approved by the Manatee County Supervisor of Elections.

Daniel advised that he had been requesting record for Jayne Christenson at the listed Supervisor of Elections office when he found Jayne had completed and was approved for a public records exemption request. The request stated that she is a "Human resource, labor relations, or employee relations director, assistant director, manager or assistant manger of any local government agency or water management district".

Daniel advised that Jayne does not work for the government or a water management district in any form of official capacity currently, with Jayne working for a private pharmaceutical company as a manager whom is contracted by the Veterans Affairs to assisted with sales.

Daniel advised he attempted to report this with the court house/State Attorney's office but was directed to the MCSO to file the report. Daniel demanded this information be documented in a report. Daniel provided me with copies of the exemption request and Jayne's LinkedIn profile. A case number was provided.
